On June 7, 2016, in Order No. 8900, pursuant to 26 Del C. §306(a)(1), the Commission suspended the effectiveness of the proposed new rates and tariff revisions pending further investigation, public comment sessions, and public evidentiary hearings, which will be held after further public notice. However, in Order No. 8900, pursuant to 26 Del C. §306(d), the Commission authorized Delmarva to place a portion of its proposed increases into effect, subject to refund, sixty (60) days after the initial May 17, 2016 filing date, or on July 16, 2016. The Commission also granted Delmarva's request to waive the requirement of a bond with surety with respect to the implementation of the interim rates. The Commission will make its decision on this matter on the basis of the record evidence taken at the public evidentiary hearings. The Commission may approve or reject, in whole or in part, the proposed increase and tariff revisions and may approve a different method for allocating any increase should one be found to be appropriate.
